ORDINANCE Numbered 595

AN ORDINANCE REQUIRING APPLICANTS FOR MARRIAGE LICENSE TO PRESENT PROOF THAT THEY HAD ATTENDED FAMILY PLANNING AND/OR PLANNED PARENTHOOD COUNSELLING, BEFORE ISSUANCE OF MARRIAGE LICENSES TO THEM.

Explanatory Note

The population explosion is so awesome a problem that the genius of the whole world is being mobilized towards its solution. Under the leadership of the United Nations a massive drive has been launched towards a world population balance. 1974 has therefore been selected as world Population Year, the year when the massive drive gets going.

Fully in accord with the UN objectives, the Philippine government is embarked on a population program, the main thrust of which is towards responsible parenthood. Part of the program is educational and part of the educational program is to reach those at the threshold of marriage. Hence this ordinance.

On motion of Councilor Bondez, seconded by Councilor Romero,

BE IT ORDAINED BY THE CITY COUNCIL OF BAGUIO NOW IN SESSION THAT:
