Hon. Rufino M. Panagan, *Ex Officio Member*; and
Hon. Leonardo Q. Bayan, Jr., *Ex Officio Member*.

ABSENT:

Hon. Reinaldo A. Bautista, Jr., *Vice Mayor (on leave)*.

Introduced by Hon. Perlita L. Chan-Rondez.

RESOLUTION Numbered 110
(Series of 2005)

ENCOURAGING ALL HEALTH AUTHORITIES AND HOSPITALS IN THE CITY OF BAGUIO TO COMPLY, AS THEY HAVE IN FACT COMPLIED, AND RECEIVED NATIONAL AND INTERNATIONAL RECOGNITIONS IN COMPLYING WITH REPUBLIC ACT NO. 7600, OTHERWISE KNOWN AS THE ROOMING-IN AND BREAST-FEEDING ACT OF 1992 AND ITS IMPLEMENTING RULES AND REGULATIONS.

WHEREAS, Section 2 of Republic Act 7600 states that "*The State adopts rooming-in as a national policy to encourage, protect and support the practice of breastfeeding. It shall create an environment where basic physical, emotional, and psychological needs of mothers and infants are fulfilled through the practice of rooming-in and breastfeeding.*";

WHEREAS, according to scientific studies, breastfeeding is the first preventive health measure that can be given to a child at birth that enhances mother-infant relationship;

WHEREAS, breast milk is nutritious since it contains essential nutrients completely suitable for the infant's needs, thus, enabling the infant to fight serious infection;

WHEREAS, knowing of the many advantages breastfeeding gives to an infant, compliance with the provisions of the Rooming-In and Breast-Feeding Act of 1992 will provide a healthy environment and save us from unnecessary expenses such as future hospitalization and medication of unhealthy infants whereby money that will be spent can be used for other useful purposes such as providing children with their basic needs such as food, shelter, and good education;

WHEREAS, even as the WHO reported that only 16% of mothers breastfeed their infants, private and government health institutions in the City of Baguio are well aware of the advantages of rooming-in and breast-feeding to the infant and the mother and have adopted the policy that once a child is born he/she is brought immediately to the mother for rooming-in and for breast-feeding; as a matter of fact, the Baguio General Hospital and Medical Center (BGHMC) has received recognition for being one of the first Mother and Baby Friendly Hospital Initiatives (MBFI) in the Philippines and for having pioneered the implementation of the breastfeeding and rooming-in practices in the Philippines; further, the Under Five Clinic of the BGHMC has initiated a system of newborn care for rooming-in and breast-feeding, which system was adopted as a national program of the Ministry of Health in 1979; the system was recognized internationally and became the prototype of the UNICEF/WHO Baby Friendly Hospital Initiatives;

WHEREAS, this will serve to encourage this practice by these private and government institutions in the City to further the cause of the Rooming-In and Breast-Feeding Act towards a more healthy citizenry;

NOW THEREFORE, on motion of Hon. Balajadia, Hon. Tenebrancia and Hon. Molintas, seconded by Hon. Panagan, Hon. Olowan, Hon. Weygan and Hon. Chan-Rondez, be it

RESOLVED, as it is hereby resolved, to encourage all health authorities and hospitals in the City of Baguio to comply, as they have in fact complied, and received national and international recognitions in complying with Republic Act No. 7600, otherwise known as the Rooming-In and Breast-Feeding Act of 1992 and its implementing rules and regulations.

RESOLVED FURTHER, to disseminate information on the positive effects of breastfeeding through media, seminars, fliers and the like to encourage lactating mothers to breastfeed their children.

Adopted.

Hon. Mandapat abstained from voting.
