WHEREAS, the Department of Environment and Natural Resources – Cordillera Administrative Region (DENR-CAR), Baguio City, has just concluded the implementation of its TS CAR Baguio City – Final Lot Survey and Adjustment of Old Surveys Project or popularly known as Cadastral Survey;

WHEREAS, the Office of the Chairman of the Committee on Urban Planning, Lands and Housing of the Sangguniang Panlungsod (City Council) is swarmed with inquiries from city residents on whether the results of the Cadastral Survey be used in their respective applications for Free Patent as told to them by DENR Personnel who went to the barangays presenting the cadastral plans/maps;

WHEREAS, Republic Act No. 10023, “*An Act Authorizing the Issuance of Free Patents to Residential Lands*” has set certain requirements and limitations;
