Introduced by Hon. Betty Lourdes F. Tabanda.

RESOLUTION Numbered 078 -
(Series of 2012)

REQUESTING THE JEEPNEY OPERATORS AND DRIVERS IN THE CITY OF BAGUIO TO INSTALL APPROPRIATE OR ADDITIONAL STEP BOARD FOR THE SAFETY AND CONVENIENCE OF THE SENIOR CITIZENS, THE PERSONS WITH DISABILITIES (PWDs), AND THE PREGNANT WOMEN.

WHEREAS, the major means of public transportation in the City of Baguio is the jeepney which traces its history from the World War II leftovers of the military vehicles, altered and reconstructed to suit the needs of the Filipinos, including the accommodation of more passengers;

WHEREAS, as it evolved, the jeepney widely gained popularity as a means of public transport, and in the City of Baguio, the narrow steep roads and blind curves match its size and weight to ferry the commuters to every corner of the city;

WHEREAS, because of the widespread use of this vehicle as a public transport unit, regulations were imposed by concerned bodies to see to it that it will serve the needs of the passengers;

WHEREAS, the late models of the jeepney offer bigger passenger capacity for economic reasons. However, one modern feature of the jeepney is its unconventional high step board that poses a big threat to people in challenged physical condition like the elderly, the pregnant women, and the PWDs;

WHEREAS, the high step board gives inconvenience, as often experienced in ascending to and descending from the jeepney, causing the elderly to complain;

WHEREAS, Section 21, Rule VII (Government Assistance) of the Rules and Regulations Implementing Republic Act No. 9257 or "An Act Granting Additional Benefits and Privileges to Senior Citizens Amending for the Purpose Republic Act No. 7432, otherwise known as 'An Act to Maximize the Contribution of Senior Citizens to Nation Building, Grant Benefits and Special Privileges and for other Purpose'" states, to wit:

"Section 21. Access to Public Transport. – The Department of Transportation and Communications (DOTC) and other concerned agencies shall develop a program to assist senior citizens to fully gain access in the use of public transport facilities.

"The minimum requirements and standards to make transportation facilities, buildings and utilities for public use accessible to senior citizens shall be developed to enhance the mobility of senior citizens particularly those with disability pursuant to Accessibility Law." ; and

WHEREAS, the pregnant women and the PWDs are in the same category as the senior citizens as far as physical capacity is concerned, and thus equally deserve convenient access and safe mobility;

NOW, THEREFORE, on motion of Hon. Bilog, Hon. Balajadia and Hon. Palaganas, seconded by Hon. Tabanda, Hon. Bagbagen and Hon. Cosalan, be it

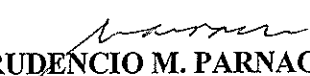

RESOLVED, as it is hereby resolved, to request the jeepney operators and drivers in the City of Baguio to install appropriate or additional step board for the safety and convenience of the senior citizens, the persons with disabilities (PWDs), and the pregnant women.

Unanimously adopted.
