RESOLUTION Numbered 501 '
(Series of 2009)

COMMENDING AND SHOWING APPRECIATION TO ALL OFFICERS, WOMEN AND MEN OF THE RECENTLY CONCLUDED 56TH ANNUAL NATIONAL MINE SAFETY AND ENVIRONMENT CONFERENCE (PMSEA) AND THE 35TH PHILIPPINE INSTITUTE OF CIVIL ENGINEERS (PICE) NATIONAL CONVENTION AND ALL OTHER ASSOCIATIONS AND ORGANIZATIONS THAT HELD THEIR CONVENTIONS IN THE CITY OF BAGUIO AND THEREBY WINNING BACK THE TRUST AND CONFIDENCE OF THE LOCAL AND FOREIGN TOURISTS IN THE CITY AS THE CHOICEST CONVENTION CAPITAL OF THE NORTH.

WHEREAS, recent calamities experienced by the City of Baguio slowed down, almost to a halt, the tourism industry of the City. It is auspicious though that the City has warm-hearted partner associations/organizations that have continued to hold their conferences and conventions in the City, thus reinforcing their trust and confidence in the City as the Choicest Convention Capital of the North;

WHEREAS, the Philippine Mine Safety and Environment Association (PMSEA), in partnership with the Department of Environment and Natural Resources, Mines and Geosciences Bureau (DENR, MGB), the Chamber of Mines in the Philippines recently held their 56th Annual Mine Safety and Environment Conference last November 11-14, 2009 in the City of Baguio with the theme "Responsible Mining for a Strong Republic";

WHEREAS, the Philippine Institute of Civil Engineers (PICE) likewise celebrated its 35th PICE National Convention and Annual Election last November 26-28, 2009 at the CAP - John Hay Trade and Cultural Center, Baguio City, with this years' theme "Leading the Way to Green Building and Infrastructure";

WHEREAS, these associations/organizations, despite of the cynical publicity City was portrayed to be in, still held ground and continued with their planned conventions in the City; and

WHEREAS, the City has since then proven that she is capable of hosting large conventions, that roads leading to and from the City are all accessible and convenient, and that all the stakeholders in the tourism industry of Baguio are ready, able and equipped to provide for all the requirements and concerns of the delegates and tourists alike:

NOW THEREFORE, on motion, duly seconded, be it

RESOLVED, as it is hereby resolved, to commend and show appreciation to all officers, women and men of the recently concluded 56th Annual National Mine Safety and Environment Conference (PMSEA) and the 35th Philippine Institute of Civil Engineers (PICE) National Convention and all other associations and organizations that held their conventions in the City of Baguio and thereby winning back the trust and confidence of the local and foreign tourists in the City as the Choicest Convention Capital of the North.

Adopted.
